**The USU/CUA
4th Annual Summer
Meeting**

July 20 - July 21, 2009

Washington, D.C.

The Coalition of Urban Serving Universities (USU) and NASULGC's Commission on the Urban Agenda (CUA) announce the 4th Annual Summer Meeting to be held in Washington, DC, July 20-21, 2009. This two-day meeting will further advance a shared agenda for the nation's urban and metropolitan public research universities around three Initiatives: Education Pipeline/ Urban Educator Corps, Strengthening Communities, and Urban Health.

Significant progress has been made over the past year to develop our legislative agenda, launch the first Initiatives, and advance urban policy proposals on Capitol Hill and with the new Administration. This meeting will, for the first time, convene the leadership of USU & CUA with other prominent national and urban organizations to broaden our advocacy and partnerships for America's cities. Renewing the nation's economy and future workforce has never been as urgent as it is now, and urban universities can and must be leaders in this effort.

The Annual Meeting will be held at the Hyatt Regency Washington on Capitol Hill and will feature panels and presentations by agency officials, Congressional staff, university leadership, and nonprofit and civic leaders. In addition to these sessions, participants will also engage in Congressional visits and a reception on Capitol Hill with members of Congress.
